

Colorado State University's  
Department of Mechanical Engineering presents

# Techie Tackles & Turbo-Goals: The RoboRam Cup

Join Dr. Sam Bechara's CSU Mechanical Engineering class as they take on the RoboRam Cup! In a single-elimination, tournament-style competition, students and their "robo-cars" will face off in two-minute, two-on-two soccer games.

The event is free and open to the community! Join us and learn about engineering or just simply witness the spectacle that is the RoboRam Cup! Can't make it in person? Join the live stream! Scan the QR code for more information and links.
